

Evidencing the Impact of Primary PE and Sport Premium (2018-19)

At St Anne's CE Primary School we recognise the contribution of sport and physical activity to the health and well-being of children and we support the Department for Education's Vision for the Primary PE and Sport Premium:

"All pupils leaving primary school will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport."

Sports Premium funding has been provided by the DFE to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport and transition into community sport
6. improved collaboration with local networks

Meeting the National Curriculum for Swimming and Water Safety

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<ul style="list-style-type: none"> • Continue to use professional sports coaches on a regular basis for a wide range of sports (high quality teaching plus CPD for staff); during school time and outside the school day. • Sustain wide range of physical extra-curricular activities. • Take part in Level 1 and 2 competitions. • Train play leaders and develop their role. • Target individuals for Change 4 Life club (after school). • Add additional funding to allow for additional swimming tuition through the year. 	<ul style="list-style-type: none"> • PE leader attended subject leaders course(s) • 60% of FS/KS1 attended an extra-curricular club • 79% of KS2 attended an extra-curricular club • Building pupil confidence and resilience in key sports. • Children who attended C4L club have engaged in other physical clubs. • Success seen in attendance in 2017; to be repeated Summer term 18. • All year groups in Key Stage 2 attended swimming lessons. 	<ul style="list-style-type: none"> • Re-launch Change 4 Life Club focussing on targeted groups. Target pupils who find PE difficult • Continue to develop work on Healthy Lifestyles and look to work with external agencies (Up and Active) to support our vision for family engagement eg. Couch to 5K). • We have a good understanding of the importance of the child hood obesity strategy and will develop new programmes to support us to become a more active school. • Continue to invest in staff CPD so teachers become more confident to deliver high quality PE • Accessing more competitions has helped to increase the number of children taking part. • Target FS/KS1 to increase participation in extra-curricular sport.
