

## **Sports Provision at St Anne's**

**At St Anne's Church of England Primary School, our aim is to provide our pupils with as many sports opportunities as possible:**

- ✓ We ensure that that there is timetabled PE for all classes.
- ✓ We ensure that all Key Stage 2 pupils have swimming lessons in order to achieve water safety skills, in addition to achieving awards for technique and distance.
- ✓ We ensure that there are Sports Coaches who come into school to provide additional coaching to our pupils.
- ✓ We ensure that we enter our young people into sports competitions throughout the school year.
- ✓ We ensure that there are a wide range of sports (competitive and non-competitive) clubs after school.
- ✓ We ensure that all pupils have the opportunity to take part in an Outdoor & Adventurous Education residential visit.
