WELL DONE EVERYONE!

We have been blessed with wonderful weather this week. The children have certainly appreciated it when they have been playing and learning outside. Some damper weather is on its way next week, so coats will be needed I am afraid!

This week, the children all saw Reverend Rod, as he carried out a 'recorded' assembly, which was then played in all classes. It was lovely to worship with him, albeit in a different way.

*A big plea from me - **please** take time to read the 'Remote Learning' letter. A great deal of work has gone on behind the scenes with this and as a school we hope families will really engage with this.*

Wishing you a lovely weekend,

Charlotte Hartley

(Headteacher)

REMOTE LEARNING

A letter has been emailed out with important information explaining how children's learning will continue if we experience a class closure due to Covid-19.

All parents and carers are encouraged to read this and download the apps that will be used in advance. This online learning will allow children and their families to stay in contact with the teacher.

Where 'online' learning is not a possibility, parents are asked to inform the office as soon as possible so that paper packs can be arranged.

We sincerely hope that we will not have to close any of our classes due to a confirmed positive case, but the national picture shows that it is a distinct possibility.

SAFETY AT DROP-OFF / COLLECTION

Thank you for respecting social distancing and the use of face coverings.

A reminder to Key Stage 2 children that they should not arrive any earlier than 8.45am, to avoid congestion and bubble-mixing on the pavement outside the gate.

EDGESIDE FOOD BOX

This is located on the land at the back of St Anne's church.

It is hoped that it will help anyone who needs it.

All donations are gratefully received by those who wish to do so.
