Evidence Me Help for Parents

Parent Share is a feature accessed by teachers via Evidence Me. It offers a quick, simple and effective way of proving "parental engagement" in the learning process.

How Parent Share Works

1. Once a school/ setting has linked your email address to your child's account, you will be sent a Parent Share invitation to activate your account.
2. If you would like to participate, click on the link to activate and confirm your email address.

PLEASE NOTE: If you do not receive your set up email please check your spam/ junk folder. If it doesn't appear in there then please contact the school/ setting directly to ensure this has been sent to you.

ANDROID USERS, PLEASE NOTE:

If your device is running Android 4.x (minimum requirement is v4.4) you will need to install an additional security certificate on your device in order for you to log in to the app:

1. First, check your device for Android system updates to see if there is a newer version of Android OS for your device
2. If there are no updates available then you will need to install an additional security certificate as follows:
 - Open an internet browser on your device
 - Go to – http://www.evidence.me/certificate/_2eskimos_com.der
 - In the "Name the certificate" box, type **Evidence.Me** into the Certificate name
 - Tap **OK**

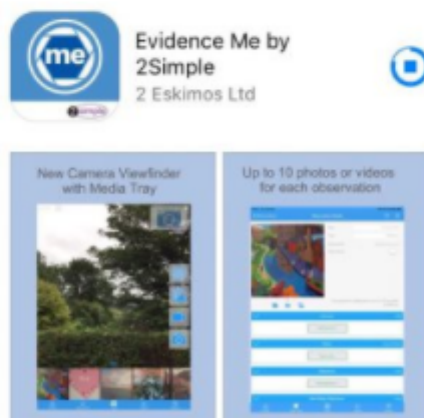

Evidence Me Parent App

The Evidence Me Parent App can be downloaded by clicking one of the above icons.

Download the App from your devices' App Store

1. Visit the App Store or Play Store on your device and search for **Evidence Me by 2Simple**
2. Follow the steps to download the app

Log in to the app

1. Open the app on your device
2. Enter your **Email** and **password**
3. Tap **Login**
4. The following pop up message will appear:
 - **"Evidence me" Would Like to Access the Camera** – Tap **OK**
 - **"Evidence me" Would Like to Access the Microphone** – Tap **OK**
 - **Would you like to save this password to use with apps and websites?**
Please Note: If you are using a shared iCloud account we would recommend clicking **Not Now**
 - **Do you want to set a PIN?** we recommend that you select **OK** to keep your app secure (you can select **No** and set this up at a later date).
5. Press **OK**

Create a Parent App Observation

For each Parent Share observation, you can add evidence. This could be an activity or a piece of work.

Tap on one of the below icons on the app Create screen to start your observation

1. The photo will be instantly captured
2. Edit your image using the image edit features – **Please Note** this feature will only appear if you have switched on **Enable Crop Screen** in the **Settings** area of the app
3. Tap **Done** in the bottom right-hand corner
4. Select **Tap to Edit**

TOP TIP: Your observation will automatically appear on your recent observations bar so you can always edit it at a later date.

Video

1. The video will automatically start recording
2. Click on the **stop button**  to stop the recording
3. Click **Tap to Edit**

TOP TIP: Your observation will automatically appear on your recent observations bar so you can always edit it at a later date.

Existing photo/ video

2. Click to amend the date and time (if required)

Date	14 Aug 2019
Time	02:00 pm
Observed by	Kevia Conneran

3. Tap on one of the icons below the image to upload more evidence

4. Tap **Add Learners +** – Please note a learner must be added in order for the observation to be sent to the school or setting

∨	Learners	Add
Add learners +		

5. Tap **Add Parent Notes +**

∨	Parent Notes	See all Notes
Tap to edit +		

Observations will automatically be uploaded to the school's account as long as your device is connected to wifi. This is indicated by a green dot appearing in the top left-hand corner of the observation thumbnail.

Observations with a red dot in the top left-hand corner have not yet been uploaded and will upload as soon as your device is connected to a good wifi connection.

View App Observations

You will receive an email notification every time an observation is uploaded to the app for your child. By clicking on the link within the email notification you will automatically be taken to the new observation within your Evidence Me App.

PLEASE NOTE: If you do not receive the email notifications please check your spam/ junk folder and mark support@2eskimos.com as safe.

You can view Parent Share observations at any time by opening the Evidence Me App and tapping **Observations** on the quick-access bar in the bottom left-hand corner.

Add Parent Notes

You can add notes/ comments to any observations by tapping **Tap to edit +** under the **Parent Notes** area of the observation. Type your note and click **Back** in the top left-hand corner for your notes to be automatically saved to the observation.

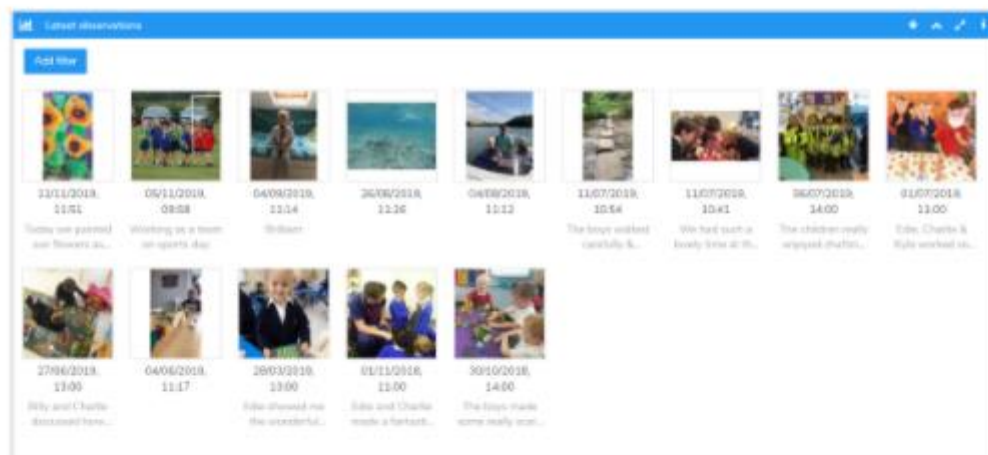

If you have any further questions please contact your child's school/ setting directly.
