LIFE EDUCATION

This week our school enjoyed a visit from Coram Life Education. Sessions were delivered on the following topics:

- Reception: All about me
- Year 1: My wonderful body
- Year 2: Feelings
- Year 3: Meet the brain
- Year 4: It's great to be me
- Year 5: Friends
- Year 6: Decisions

The sessions compliment and enhance our PSHE curriculum and the children love meeting Coram's ambassador, 'Harold'!

With only two weeks left of this half term, the weeks certainly do seem to be flying by. This week I was delighted to see such hard work from all of our children when I visited all classes. The delight on the faces of the children in Reception was a picture, as they peered out from their spaceship; and Year 4's singing in a Literacy lesson to help them with their grammar knowledge was nothing short of harmonious!

Thank you for your continued co-operation and patience whilst we follow guidance as a result of the pandemic. We feel that things are moving in the right direction. We are slowly increasing educational visitors back into school and have re-instated the clubs that we are able to currently. It may seem frustrating that everything can't return to 'normal' overnight and we understand this.

Wishing everyone a pleasant weekend,

Charlotte Hartley

(Headteacher)
