Parent consultation evening

Our children this week have really got stuck into their learning topics and units of work; classrooms are busy and I can feel the excitement as I walk around school. This is a delight! We want to encourage all children to be enthused by learning, to ask big questions and to be up and active.

*As a staff team, we are constantly reviewing our practice and curriculum to ensure our children are receiving the best education in an engaging way. In the coming weeks we will see some changes in school which are aimed at enhancing our provision for our children so they are actively engaged in their learning. House teams will be re-launched and well being sessions will take place. We are beginning to use more of our outdoor space with a forest school type ethos. To enhance our PE and RE curriculum, visitors are going to come to school to celebrate diversity and to learn about other world faiths. We believe all are welcome, loved and valued in our school within our Christian ethos. In Romans chapter 15 verse 7, we are reminded to 'Accept one another, just as Christ accepted you'. This is being seen through school as we focus on our Christian value of **respect** this half term.*

Have a lovely weekend and thank you for continued support.

MACMILLAN

Thank you to all who supported the Macmillan events in school. We will notify you of the total cost raised for this worthy charity.

YEAR 2 THEME DAY

On Friday 15th October year two children are welcome to dress up as a character from a traditional tale. The day's learning will be exciting and all about traditional tales.

SPORTS NEWS

Our school sports teams begin to compete in the small schools competitions. The boys play this week and the girls next week. Look on Facebook for results and photographs.

SCHOOL MEALS

Please see the letter sent via Parent Mail about possible disruption to our school meals service in the coming weeks. We thank you for your understanding in advance.

ATTENDANCE

Our weekly target, for classes and individuals, is 96%. Please ensure your child is in school as often as possible. Similarly, school now begins **at 9:00am** and children are expected to be in class by that time to avoid lateness.

Contact the office to notify school of illnesses and absences.

FLU IMMUNISATIONS

Please see Parent mail for the online consent form if you wish for your child to receive their vaccination in school on Wednesday 6th October 2021.

FRIDAY COLLECTIVE WORSHIP

We are thrilled to be able to worship in church on a Friday. All family members are welcome to attend at 2:30pm in church.

AUTUMN IS APPROACHING

As the weather seems to be changing, please ensure your child has a coat for play times. We still like to go outdoors in inclement weather.

ATTENDANCE

This week's attendance is:

Reception	90.8%
Year 1	95.5%
Year 2	96.7%
Year 3	93.2%
Year 4	95.9%
Year 5	90%
Year 6	94.2%

TARGET: 96% and above
